TC-014	Role-Based Route Protection	1. Try to access /admin without admin login 2. Try to access /owner-dashboard as renter	Unauthorized users redirected to login page or shown access denied	Correct redirects and access control enforced	Pass
TC-015	Admin Views Platform Stats	1. Login as Admin 2. View Admin Dashboard	Stats shown: Total Users, Total Properties,	Stats displayed with correct counts from database	Pass

TC ID	Test Scenario	Test Steps	Expected Result	Actual Result	Pass/Fail
			Total Bookings, Pending Approvals count		

Bug Tracking

Bug ID	Bug Description	Steps to Reproduce	Severity	Status	Additional Feedback
BG-001	No bugs found during UAT	N/A	N/A	Closed	All test cases passed. Application is stable and ready for deployment.

Sign-off

Field	Details
Tester Name	Karthik Gajula
Team ID	24EG105H08
Date of Test Completion	18 June 2026
Overall Result	PASS – All 15 test cases passed successfully
Approved for Deployment	Yes
Notes	All three user roles tested end-to-end. Authentication, role-based access control, property approval workflow, and booking lifecycle all functioning as expected. Application is ready for production deployment.
