P5: Admin Control	Admin decisions on properties and user queries	Updated property status, Platform statistics	D1: Users, D2: Properties, D3: Bookings

User Stories

User Type	Epic	USN	User Story / Task	Acceptance Criteria	Priority	Sprint
Any User	Registration	USN-1	As a user, I can register by entering my name, email, password, and	Account created; JWT token returned; redirected to dashboard.	High	Sprint-1

User Type	Epic	USN	User Story / Task	Acceptance Criteria	Priority	Sprint
			selecting a role (Owner/Renter).			
Any User	Login	USN-2	As a user, I can log in with my email and password.	Valid credentials return JWT; invalid credentials show error message.	High	Sprint-1
Any User	Logout	USN-3	As a user, I can log out and my session is cleared.	JWT removed from localStorage ; redirected to home page.	High	Sprint-1
Renter	Property Browse	USN-4	As a renter, I can browse all approved properties on the home page.	Only admin-approved properties are shown; images and details visible.	High	Sprint-1
Renter	Property Search	USN-5	As a renter, I can search properties by city, type, price range, and bedrooms.	Filtered results update dynamically; empty state shown when no results.	High	Sprint-2
Renter	Property Detail	USN-6	As a renter, I can view the full details of a property including images, amenities, and owner info.	All property fields displayed; Book Now button visible for logged-in renters.	High	Sprint-2
Renter	Booking Request	USN-7	As a renter, I can submit a booking request for a property with my move-in date and message.	Booking saved with 'pending' status; confirmation shown to renter.	High	Sprint-2

User Type	Epic	USN	User Story / Task	Acceptance Criteria	Priority	Sprint
Renter	Booking Tracking	USN-8	As a renter, I can view all my booking requests and their statuses (Pending/Approved/Rejected).	Renter dashboard shows all bookings with status badges.	High	Sprint-2
Owner	Property Listing	USN-9	As an owner, I can create a new property listing with all details and photos.	Property saved with 'pending' status; appears in owner dashboard.	High	Sprint-1
Owner	Property Management	USN-10	As an owner, I can edit or delete my property listings.	Changes saved; deleted properties removed from all views.	Medium	Sprint-2
Owner	Booking Management	USN-11	As an owner, I can view all booking requests for my properties and approve or reject them.	Booking status updates; renter sees updated status in their dashboard.	High	Sprint-2
Admin	Property Approval	USN-12	As an admin, I can view all pending properties and approve or reject them.	Approved properties appear in public listings; rejected ones are hidden.	High	Sprint-3
Admin	User Management	USN-13	As an admin, I can view all registered users with their roles.	Full user list with role, email, and registration date displayed.	Medium	Sprint-3
Admin	Platform Stats	USN-14	As an admin, I can view platform statistics: total users,	Stats dashboard shows accurate real-time	Medium	Sprint-3

User Type	Epic	USN	User Story / Task	Acceptance Criteria	Priority	Sprint
			properties, bookings, and pending approvals.	counts from database.
